NO PARDONS  
WERE ISSUED BY  
PARDON BOARD

The pardoning board which met  
Wednesday morning finished its  
work in short order. This was  
made possible from the fact that  
at the last session held a ruling  
was made making the dates of ac-  
tive sessions at April and Septem-  
ber, instead of the January and  
July terms. This being in order  
practically all the cases were set  
over until the April meeting.

At the meeting Wednesday, says  
the Carson Appeal, it was given out  
that from this date on all prison-  
ers out on parole must live up to  
their agreements. Any parolee con-  
vict who fails to report within 60  
days forfeits his parole and will be  
returned to the penitentiary.

In the case of Herbert Christie  
of Reno, for whom a general peti-  
tion has been filed, Judge Lee  
Davis of Reno appeared before the  
board and made a plea for his re-  
lease, also furnishing a petition  
signed by many Reno people. The  
case was the only one in which  
argument was heard. It was taken  
under advisement.

There was no application for pa-  
role or pardon from Preston. This  
will probably come up at the April  
term.

Another case that attracted at-  
tention was that of Gajo Pistinat, the  
Rhyolite saloon man, who was sen-  
tenced to one year in the peniten-

tiary for allowing a gambling game

set over until the April term.

The case of M. J. Smith, the  
Goldfield high-grader, was also set  
over, while the application of Jack-  
son of Goldfield was withdrawn.  
Both cases are expected in at the  
April session.

In the case of Walter Branze,  
who was represented by Attorney  
Finch, it like the others, was put  
over until the next meeting.

The result of the session was that  
thirty-one cases were presented and  
no pardons or paroles were issued.  
The board adjourned until the regu-  
lar session in April.

CIVIL SERVICE FOR  
ALL POSTAL CLERKS

WASHINGTON, D. C., Jan. 6.—  
"The postoffice department has be-  
come a huge political machine,"  
declared Representative Norris of  
Nebraska yesterday in explaining  
the drastic bill he introduced, which  
will place every postal employe,  
except the postmaster general, in  
the classified service. "The roll  
call of the republican convention  
sounds like a list of second-class  
postmasters," declared Norris. He  
is a progressive republican.

## SUMMONS.

IN THE DISTRICT COURT OF  
the Fifth Judicial District of the  
State of Nevada, in and for the  
County of Nye.

Action brought in the District  
Court of the Fifth Judicial District  
of the State of Nevada, in and for  
the County of Nye, and the Com-  
plaint filed in said County of Nye,  
in the office of the Clerk of said  
District Court.

Cassie Barnett, Plaintiff, vs. J. W.  
Barnett, Defendant.

The State of Nevada sends greet-  
ing to J. W. Barnett, Defendant.

You are hereby required to ap-  
pear in an action brought against  
you by the above-named Plaintiff in  
the District Court of the Fifth Ju-  
dicial District of the State of Ne-  
vada, in and for the County of Nye,  
and to answer the Complaint filed  
therein, within ten days (exclusive  
of the day of service) after the ser-  
vice on you of this Summons, if  
served within this county; or, if  
served out of this county, but in  
this district, within twenty days;  
otherwise, within forty days; or  
judgment by default will be taken  
against you, according to the pray-  
er of said Complaint.

The said action is brought to  
dissolve the bonds of matrimony  
now existing between Plaintiff and  
Defendant on the grounds of neglect  
of the Defendant, for over a period  
of one year, to provide Plaintiff with  
the common necessities of life,  
when such neglect was not the re-  
sult of poverty on the part of  
Defendant, which he could not avoid  
by ordinary industry. That De-  
fendant without excuse and with the  
ability to provide said common ne-  
cessaries of life for Plaintiff failed  
and neglected to do so for over a  
period of one year.

This action is also brought for the  
purpose of decreeing any property  
heretofore acquired or held by  
Plaintiff, at time of judgment, to  
be her own separate property.

And you are further notified that  
if you fail to appear and answer  
said Complaint, as above required,  
said Plaintiff will apply to the Court  
for the relief demanded therein.

Given under my hand and the  
Seal of the District Court of the  
Fifth Judicial District of the State  
of Nevada, in and for the County  
of Nye this first day of November,  
in the Year of Our Lord One Thou-  
sand Nine Hundred and Eleven.

NEW BATTLESHIP  
"NEVADA" WILL  
NOW BE BUILTONLY THREE BIDS RECEIVED  
FOR CONSTRUCTING BIG  
BATTLESHIP.

Bids for construction of two 27-  
000 ton battleships, Oklahoma and  
Nevada, were opened here yester-  
day. The lowest proposals were  
from the New York Shipbuilding  
company of Camden, N. J., at \$5-  
926,000 for one ship and the Fore  
River Shipbuilding company of  
Quincy, Mass., at \$5,935,000 per  
ship.

The new vessels will have a dis-  
placement of approximately 27,000  
tons and will carry the most power-  
ful main batteries ever put afloat.

Four turrets will house ten 14-inch  
rifles, three of the big guns going  
into each of two turrets. The main  
armor belts will be 14 inches in  
thickness.

Congress appropriated \$6,000,000  
each for these vessels, exclusive  
of armor and armament. In gen-  
eral design the ships will be al-  
most exact duplicates of the New  
York and Texas, now building. They  
are to have a speed of about 20½  
knots an hour and will use oil for  
fuel.

Only one other bid was received,  
that of the Newport News Ship-  
building company, which was \$6-  
450,000, exceeding the maximum set  
by congress by at least half a  
million dollars.

The Cramp company of Philadel-  
phia refused to submit a bid on  
the ground that the entire plant  
of the company would have to go  
on an eight hour day basis if it  
took the contract.

The Fore River company asked  
for the award of but one ship, the  
bid of \$5,930,000 being for turbine  
engines. For reciprocating engines,  
desired by the department, the bid  
was \$5,980,000. Indications are  
that one ship each will be award-  
ed to the two low bidders.

MAY OPERATE ITS  
MILLERS PLANT AS  
A CUSTOM MILLTONOPAH BELMONT COMPANY'S  
PLANS REGARDING PLANT  
AT MILLERS.

Many rumors have been in cir-  
culation as to what disposition will  
be made of the Tonopah Belmont  
company's reduction plant at Mil-  
lers, upon the completion of its  
new mill at Tonopah. One report  
states that the plant will be oper-  
ated as a custom mill, another that  
it will be turned over to the Jim  
Butler and Goldfield Belmont com-  
panies, to be operated by them  
jointly. The latter report is said  
to have been denied by officials  
of the companies mentioned.

A report which is claimed to be  
official is that the Belmont company  
will keep the mill and operate it  
on custom ores and maintain it in  
working shape as a safeguard in  
the event of the new mill being  
shut down for any cause.

It is said that the plant will  
treat the product, on a custom ba-  
sis, of the Jim Butler and Gold-  
field Belmont mines and of a mine  
near Candelaria. The last named  
is said to be in condition to sup-  
ply 100 tons of ore daily, and in  
the event of the Tonopah & Gold-  
field railroad extending a branch to  
the west, ready transportation will  
be provided for the ore of this sec-  
tion.—Tribune.

ecutive board of the Western Fed-  
eration of Miners discussed the

RUSSIA MUCH  
IN THE EYES  
OF THE WORLD

Russia is very much in the  
world's eye at the present time.  
After a period of temporary ob-  
scuration while she recuperated  
from the effects of the Japanese  
war and the succeeding domestic  
disturbances, the mighty empire is  
looming big in current events.

To cite the instance closest at  
home, the United States has abro-  
gated one of its treaties with Rus-  
sia, and there is some talk in the  
Duma of retaliatory legislation, aimed  
to precipitate or meet a tariff  
war with the United States.

Next in interest comes the Per-  
sian situation. Russia gives every  
indication of an intention to gobble  
the country, proclaim a Russian  
governor and hold the land as a  
dependency of the empire.

Russia has to reckon with Great  
Britain. Whether other powers of  
Europe are viewing the aggression  
with calmness is another propo-  
sition. Germany has dabbled a bit  
in the Persian pie, and where Ger-  
many goes it is fairly safe to as-  
sume that Austria-Hungary will go  
also.

Now comes the proclamation of  
the independent government of Mon-  
golia. There seems little question  
that Russia inspired and arranged  
this coup.

Russian newspapers declare that  
the empire needs a "buffer" state  
between its borders and the adjoin-  
ing powers. These powers are Chi-  
na and Japan—the former negligible  
at this time and the latter with a  
thrashing of the Bear to its credit.

In this connection it would ap-  
pear that Japan is somewhat "up  
against" it. Unless there is an ar-  
rangement with Russia concerning  
Mongolia, it would appear that Jap-  
an's "sphere of influence" is cir-  
cumscribed to a tremendous extent  
by this new move.

Japan has not been satisfied with  
Korea. Manchuria offers a desir-  
able field for settling the over-  
flowing population of the is-  
lands. Mongolia was the next step  
westward, to all appearances, but  
Russia has built a wall in front  
of that step and has labeled it:  
Russian Property. Keep Out!

Whether the little brown man  
will obey the injunction remains to  
be seen. He may object to being  
robbed of the fruits of victory in  
the Russo-Japanese war as he was  
robbed of them in the Chino-Jap-  
anese clash.

In any event; unless the Japanese  
and Russians reach some mutual  
agreement of a most satisfactory  
nature, the little opportunist of the  
Orient will be too busy attending  
to his traditional enemy to do  
ought else than seek peace on the  
side of the water.—Seattle Times.

CONFLICT OF  
SOME STATE LAWS  
CAUSES TROUBLENEW CODE DIFFERS FROM OLD  
LAW IN MANY WAYS AND  
CAUSES TROUBLE.

"What is the use in holding court  
when there is no law?" inquired  
Justice of the Peace Lee J. Davis  
yesterday.

"The new code is now in effect  
and I have here a number of pam-  
phlets bound together, purporting  
to be the new code, but it doesn't  
look official to me, besides, I un-  
derstand that there are amendments  
that do not appear in connection  
with the acts.

"The changing of codes is caus-  
ing a great many peculiar conditions  
to arise. Constable Rosenthal, for  
instance, sold a piece of property  
under execution the other day. He  
posted his notices according to the  
prescriptions of the old code, which  
required that the property be sold  
on the ground.

"But the length of time for giv-  
ing notice carried the date of sale  
over into this year after the new  
code had gone into effect, which  
prescribes that property under exe-  
cution be sold from the court house  
steps. He followed the admoni-  
tions of the old code. That is but  
one of many instances of conflict."
